Seeking Meals on Wheels Ambassadors!

Do you or someone you know love to give back to the community? Always know everyone in the room? Is a leader in philanthropy? We are seeking 16 individuals who will serve as Meals on Wheels Ambassadors at the 7th annual Food from the Heart event. These ambassadors will recruit, lead and inspire a table of 10 people to lead the charge to raise support for Meals on Wheels.

What does a Meals on Wheels Ambassador do?

- Purchase a table for 10 for $600
- Invite colleagues, friends and community members that have a passion for helping seniors thrive and the resources to make this a reality
- Attend Food from the Heart event on April 3 and encourage participation in the live auction and Fund-a-Need. A little healthy competition with other tables is encouraged as well!

The 7th annual Food from the Heart luncheon on Friday April 3, 2020 held at Chaminade Resort & Spa from 11:00-1:30 PM. This event is the primary fundraiser for Meals on Wheels for Santa Cruz County and ensures that seniors in our community continue to have access to nutritious meals.

Meals on Wheels for Santa Cruz County prevents senior hunger and isolation through healthy meals and friendly human contact supplied at one of five dining sites, or meals delivered to the home.

Please consider becoming a MEALS ON WHEELS AMBASSADORS and host a table in support of seniors in Santa Cruz County.
