PUENTES DE LA COMUNIDAD

LIFT LINE VEHICLE SPONSORSHIP PROGRAM

Your company's advertisement in Lift Line's Vehicle Sponsorship will increase awareness for your business while supporting more than 700 seniors and disabled residents in our community. Your ad will be prominently displayed on the back of a Lift Line vehicle. To learn more about Lift Line, please visit us at www.communitybridges.org/liftline.

Each Lift Line vehicle travels throughout Santa Cruz County on weekdays, 8am to 4pm. Your ad can be seen transporting participant's door-to-door from their homes to meals sites and medical appointments. Lift Line vehicles rotate routes, 365 days per year. So your ad can be seen across multiple different types of routes, special events, and anywhere Lift Line is called to service.

COST & DESCRIPTION

Lift Line van advertisements are \$2,400 per vehicle for 12 months. The shape and size of the advertisements vary by van model, but the average dimensions are 33" tall by 62" wide. Your 12-month sponsorship begins on the day your ad is installed and in service.

For the first year of your sponsorship, there is a one-time \$500 cost for printing and installing the van advertisement. These advertisements are printed on high quality vinyl, intended to withstand harsh weather and elements and remain in excellent condition for several years.

If you choose to have Community Bridges create your advertisement for you, an additional cost of \$150 will be charged for a custom design to reflect your unique brand.

If the sponsor or business is, in the judgment of the Community Bridges Board of Directors, involved or alleged to be involved in conduct that places Community Bridges in a bad light, the sponsorship may be immediately terminated. The sponsor will be refunded the pro-rated share of the sponsorship fee, less any expenses to remove the sponsorship signage.

RENEWALS

Because Lift Line has a limited amount of advertising space available, and sponsorships are subject to a waiting list, **Lift Line cannot guarantee annual renewal of your advertisement.**

Should Lift Line be able to accommodate a renewal, your existing advertisement(s) will remain on the van unless you request otherwise. Should you choose to renew your sponsorship and reprint/replace your advertisement(s), you will be charged \$500 for the cost of printing and installation per van, in addition to the sponsorship pricing.
