

IMPORTANT SERVICE UPDATE

Mountain
COMMUNITY RESOURCES
COMMUNITY BRIDGES
PUENTES DE LA COMUNIDAD

Due to funding constraints, we will no longer be able to provide the following services at Mountain Community Resources beginning **July 1, 2025**:

Showers Laundry Lockers Mail

We understand this change will have a significant and painful impact on many in our community. **This decision was not made lightly. It is the result of funding limitations—not a lack of care or commitment to the San Lorenzo Valley.**

Why is this happening?

Over the past two years, these services were made possible by a one-time grant from the 1440 Foundation. We knew this support was temporary and have worked tirelessly to secure permanent funding. Unfortunately, we have not been able to secure the resources needed to keep these services open.

You can help advocate for the restoration of services by contacting the following Santa Cruz County officials:

Director, Housing for Health Division
